

THE SUPER TUFTER GRASS MACHINE

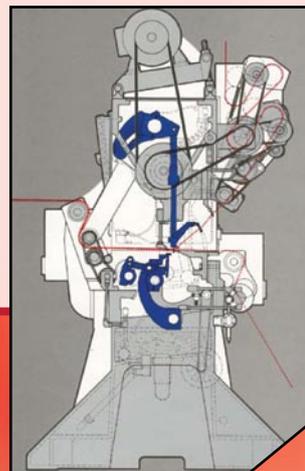

CTS Group is an Australian owned and based company of over 30 years experience, that currently exports machinery all around the world.

STRONG | DURABLE | EFFICIENT

- Our machinery is made from the highest quality material with the most sophisticated design to insure we have the strongest rigidity to cope with the extreme pressures put on a grass tufting machine.
- The tufters are made in a full range of different gauges
- Complete range of attachments are available such as Jute Shifter and servo Cloth and yarn feeds.
- Semi –Modular Cutting system including Hook and knife systems.
- We are able to achieve many different pile height ranges between 5mm to 70mm.
- Tufting speeds of 600RPM plus are achievable.
- Tufting widths from 1 meter to 5 meter wide.
- Modular gauge parts including, needles, knives and loopers are available in all gauges.
